

When looking at the tuition breakdown chart linked below please know we base our season like that of a school year, September - June. If you are unsure if you and your dancer will commit to the full year, you would want to sign up for the 4 or 8 payment plans!

To figure out your tuition amount - you would add up the amount of hours your dancer is registered for weekly! Then the chart linked above will tell you the amount you would pay if you do the 8, 4 or 1 full payment.

FOR EXAMPLE,

Tiny Stars is 30 minutes weekly.

The payment breakdown:

If you choose 8 payments it would be \$60 - 8 times

If you choose 4 payments it would be \$120 - 4 times.

OR If you choose 1 full payment it would be \$480 - 1 time.

*Tuition will be pro-rated depending on when you register during the school year.

REGISTRATION FEE:

- A one time registration fee is due at the start of the dance season regardless of when you start classes.
- It is \$30 for one dancer or \$50 for the family.

DISCOUNTS:

- If you choose to pay CASH for your tuition you will get 5% off your tuition fee regardless of the payment plan you are on.
- Families who choose to do our 1 PAYMENT PLAN (at the start of the year only), you will receive 10% off their tuition (CASH or CHECK ONLY!)
- Sibling discount is 5% off the 2nd sibling and 5% each additional sibling that follows.
- Multi-class discounts are embedded into our pricing. For example if you take two 30 minute classes you will pay \$880 for the year rather than \$960 for the year.
- If you register late, we can prorate the tuition based on the weeks you have been present.
- Please note: proration is not an option for classes that you are absent due to sickness or vacation days. If you are absent due to sickness, vacation, school or family obligations, you may find another class on the schedule to take as a make-up class.
